In response to the final Office Action dated December 15, 2006, the Applicants submit the following amendment and remarks. This response is being submitted after the filing of a Notice of Appeal on April 12, 2007, and after receipt of a Notice of Panel Decision from Pre-Appeal Brief Review dated July 10, 2007. Accordingly, the time period for responding to the Notice of Appeal and the Notice of Panel Decision from Pre-Appeal Brief Review has been reset to August 10, 2007, and extends to October 10, 2007 with a two-month extension fee submitted herewith.

The Applicants do not believe that extensions of time or fees for net addition of claims are required beyond those that are submitted with the electronic filing of this response. However, if extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to our Deposit Account No. 50-1283.
